Greetings from Revealed Gospel Ministry (RGM Malawi).

We came across your information about church clothing assistance and would like to learn more about the programme and its application process.

We are a Christian ministry serving communities in Northern Malawi, with a passion for evangelism and community transformation.

We would like to explore the possibility of partnering with your organisation to provide clothing assistance to vulnerable children, widows, elderly people and needy families in our communities.

Could you kindly share more information about eligibility, application requirements, the support available to international ministries, and how organisations in Malawi can apply?

We look forward to hearing from you.

Kind regards,

Pastor Alick Nyirenda
