Welcome! Start Using Your App in 3 Simple Steps

Thank you for activating your Worldwide 2-Device License. No app store download is required: your Companion App runs directly in your browser and installs cleanly to your Home Screen or desktop in seconds.

1 Activate Your 2-Device License Key & Install the App Icon

Your Worldwide License Key (formatted like `SB-XXXX-XXXX`) is printed inside your payment receipt email and saved to your 508 Ministry Dashboard Notification Bell. It unlocks up to **2 devices** (for example, your phone and your desktop computer).

- **Instant 1-Click Unlock:** Tap the gold Unlock My App Now button in your confirmation email to activate automatically on that device.
- **Activate Your Second Device:** Visit **https://508ministry.com/second-brain/app/**, enter your License Key in the Already Licensed? box, and click Unlock Live App Now.
- **Install as an App Icon:** On iPhone/iPad (Safari), tap the **Share** icon and choose **Add to Home Screen**. On Android, Windows, or Mac (Chrome or Edge), click the gold **+ Install App** button at the top left of the app.

2 Record with Your Phone, Computer, or Any Bluetooth Earbud

The Companion App works right out of the box with your built-in phone mic, laptop mic, or any standard Bluetooth earbud or wireless headset.

- **Using a Bluetooth Earbud:** Pair your earbud normally in your device's Bluetooth Settings, then open the app. Audio automatically routes through your Bluetooth microphone.
- **Capture Live Audio & Transcript:** Tap the gold **Capture Living Memory** orb on the Home tab (or open the **Record** tab). Speak naturally and watch your real-time transcript appear word by word.
- **Tag & Bookmark Key Moments:** Tap **Bookmark Moment** during a sermon, prayer, or family story to mark quotes for later, then tap **Save Note & Audio**.
- **Auto-Sync to Your 508 Life Vault:** Sign in once on the **Profile** or **Library** tab so your recordings and drafts flow straight into your private **508 Life Vault Document Repository**.

Step 3: What One Sunday Sermon Automatically Produces in Your Vault

1. Complete Workflow & Action Map (PDF)
Shows how one weekly message powers outreach across every ministry channel.

2. Illustrated English Study Guide (12 Pages)
Print-ready small-group study booklet with scripture highlights and reflection prompts.

3. Spanish & French Study Guides (PDF)
Heart-language congregation guides ready for bilingual families and international partners.

4. Sanctuary Social & Artwork Pack
Custom share-ready verse cards, headers, and visual artwork inspired by your message.

5. Bilingual Congregation Recap Email
Formatted English and Spanish follow-up email ready to paste and send to your church.

6. Family Keepsake Living Book (12 Pages)
Turn testimonies, prayers, and family heritage stories into illustrated heirloom books.

Your Library, Studio Cleanup & Global Sharing

Every tool inside the app is organized into simple tabs along the left sidebar on desktop (or along the bottom on mobile) so you can move seamlessly from recording to publishing.

4 Browse Your Synced Vault Library

Open the **Library** tab to search every spoken sermon, listen to built-in broadcast recordings, read full-bleed PDF study guides right inside the viewer, and browse your live-synced **My 508 Life Vault Repository** folders. Tap Turn Into Book Chapter on any memory to export a formatted draft anytime.

5 Broadcast Cleanup & 37 Languages

Open the **Master** tab to remove room echo, enhance vocal warmth, and level audio to broadcast **-16 LUFS** loudness at crisp native 1.0x speed. Select from **37 global languages** and publish to your Alongside+ Studio channels with one click.

6 1-Tap Fair-to-Share (Earn 20% to 25% for 365 Days)

Open the **Profile** tab to copy or share your auto-encoded **9-Digit Ambassador Link**. Whenever a pastor, ministry leader, or family visits through your invitation, your Ambassador Number stays attributed for a full **365 days**, earning **20% to 25%** commission while helping more ministries share the Word.
