Social Media Ad-Safe Scope: Category E strictly includes business formation, web publishing, cloud communications, and AI workflow automation suites. All financial-dispute, lending, or restricted-category services are permanently excluded from public ambassador sharing catalogs.

Start My Business Incorporated — Merchant of Record & Fulfillment Infrastructure: Start My Business Incorporated handles secure payment processing, US-based fulfillment, onboarding, and client support across both networks while delivering rolling 24-hour itemized attribution reports inside your dashboard. Recurring monthly subscriptions pay ongoing 20% / 25% commissions on every settled billing cycle within the active attribution window.

GOVERNANCE, ADVERTISING ETHICS & GLOBAL SAFETY STANDARDS

Social Media Ad-Safe Sharing, *FTC Disclosure* & Minor Protection

Every ministry, ambassador, and partner sharing Compass & Dove or Start My Business links agrees to maintain truthful, transparent, platform-compliant communications across Meta (Facebook/Instagram), TikTok, Google, YouTube, X, and direct community channels.

Social Media Ad & Sharing Rules (Meta, TikTok, Google, X)

- **Truthful Earnings Framing Only:** Never promise fixed monthly earnings, "easy money," or assured financial outcomes. Always present payout schedules as illustrative examples paid only on settled qualifying orders.
- **No Personal-Attribute Targeting:** Never call out viewer age, retirement status, financial hardship, or health attributes directly in ad copy or social headlines.
- **Strictly Ad-Safe Product Scope:** Only share approved ministry, media, publishing, wearable, business formation, web design, and AI automation offerings listed in this audited catalog.
- **Mission-First Brand Identity:** Use the official **Gold Compass & White Dove** emblem and your own ministry brand. Never use unauthorized personal family photos in third-party promotional posts.

IRS IRC § 512(b)(2) Passive Royalty & Payout Routing

- **Passive Royalty Default for Ministries:** Start My Business Incorporated operates as Merchant of Record — handling checkout, sales tax, shipping, support, and refunds — and remits 20% passive brand-licensing royalties to eligible `508(c)(1)(A)` ministries under `IRC § 512(b)(2)`.
- **Active Individual Ambassadors:** Individuals who actively share links on personal channels receive standard 1099 direct payouts (or route through a ministry-owned LLC subsidiary).
- **Net Settled Basis:** Commissions accrue on verified, settled orders net of customer refunds, cancellations, or payment disputes, visible inside your 24-hour dashboard ledger.
- **Independent Tax Guidance:** This catalog is educational and not legal or tax advice; please confirm bookkeeping treatment with your CPA.

Mandatory FTC Endorsement & Affiliate Disclosure Standard (16 CFR Part 255)

Whenever you share an auto-encoded link on social media, email, video descriptions, or websites, include a clear, plain-language disclosure such as: **"Affiliate / Ministry Partner Link: I may earn a commission on qualifying orders placed through this link at no extra cost to you."**

Earnings & Results Disclosure: All dollar figures in this catalog are *Illustrative Payout Examples (20% Standard Ambassador / 25% Gold Tier on settled qualifying orders)* calculated strictly from published retail and promotional prices. Actual commissions depend on sharing activity, audience engagement, seasonal demand, and verified settled referrals; results vary and no specific income is guaranteed.

Global Minor Protection Policy & Youth Leaders Safe-Sharing Charter

Commission accounts and payout profiles are strictly restricted to adults **18 years or older** (or legal minimum age in your jurisdiction with verified parent/guardian stewardship). Adult youth pastors, ministry leaders, and parents may hold profiles to fund youth outreach while keeping minors 100% shielded from behavioral ad targeting, unapproved commercial contracts, or direct solicitation.
